

Dear Valued Member,

**SMALL BUSINESS OWNERS
The Backbone
of America**

We have been saying this a long time now and it has never been truer. The June 7th issue of Business Week Magazine reported "Small businesses have been a source of stability to a very troubled economy, and more recently a key source of growth." In other words, it is you and your employee's hard work and dedication that keep America strong. As a group, when we work together, we become even stronger and build a firm base for the future of our families, friends, and local communities. GMS is proud to support you in any way possible. It is what we are all about.

Testimonials pay off in May!

~CONGRATULATIONS TO MARC & P.J. GRUBEN~

On Saturday, May 29th, 2004, our beloved Marc Gruben was forced (just kidding), was happily married to P.J. Monroe. The wedding was held in beautiful sunny Southern California and was perfect. Since the wedding it is reported that only 32 arguments have taken place. O.K., this isn't true either, we don't really know the official number. Good luck and we wish you both all the best!
